

# Unlock the Digital Power of your Association with Seamless **AMS and MapleLMS Integration**

MapleLMS offers a seamless learning experience for associations and nonprofits, catering to members, instructors, and administrators. **Members** can easily learn and track progress on any device. **Instructors** have intuitive tools for assessments and interactive sessions. **Administrators** can effortlessly manage and customize the platform. MapleLMS simplifies learner enrollment, course allocation, certification process, and driving non-dues revenue, all within a secure environment.
